Year ending 31 March 2017	On the basis of our review, in our opinion the information contained in the annual return is in accordance with the Audit Commission's requirements and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. Other matters not affecting our opinion which we draw to the attention of the council: (1) The balances held by the smaller authority appear high and have been building up over the years. The smaller authority has no power to hold excessive reserves unless they are saving for something in particular - recommendation: if smaller authority is not saving for a large purchase should be reduced to a more appropriate level usually no more that level of precept/one year's expenditure. No other matters came to our attention.	(1) Parish Council currently building up reserves for future proposed projects.
